

## FGF Spring Meeting March 21 & 22, 2024 TU Dortmund

Dear members of the FGF working groups Social Entrepreneurship & Sustainable Entrepreneurship,

We are looking forward to welcoming you in Dortmund next year in spring. Currently, we are in the planning phase and are thinking about which guests we would like to invite and which (possibly new) formats we would like to include. If you have any ideas and/or wishes, we look forward to hearing about them.

Thematically, we will address all topics of Social and Sustainable Entrepreneurship in research and share insights from Entrepreneurship teaching and practice. As in previous years, we are happy to organize the social program, but would like to ask members to arrange their own accommodation. In addition, we ask for self-payment of dinners while we will organize coffee and tea supply during the days of the workshop.

We are looking forward to an exciting exchange in the working groups!

Kind regards,  
Nicole Siebold, Steffen Farny, and Daniela Gimenez-Jimenez
